

Queen Eleanor Improvement Scheme

What's Happening?

Where: A45 Queen Eleanor Interchange, Northampton

What: Improvement works to this roundabout and its slip roads, and adjoining junctions will take place and will include: earthworks, carriageway widening, new drainage connections, new service ducts, structure repairs and works including waterproofing, kerbing, carriageway surfacing, upgrading of traffic signals new road traffic signs and markings.

When: Monday 31 March – December 2025.

Working Hours: Weekday: 08:00-17:00 and some weekends. Times may vary within these hours.

Full roundabout closures will be necessary at times, but these will occur at nighttime or off-peak. Further details will be sent 2 weeks prior to these full closures.

Traffic Management: Traffic management will be in place 24/7 with a lane closure in place and traffic lights turned off. One lane will be open.

A full closure will be in place on the cul-de-sac on London Road as well.

A lane closure will be in place leading into Wootton Hall Park with no entry permitted via the slip road. A one-way system will be in place. Please follow the signage.

Residents/Businesses: Residents and businesses will have access to their properties at all times.

Emergency Vehicles: Access will be maintained for emergency vehicles but please expect delays.

During full closures, an approved diversion route will be in place.

Pedestrians and Cyclists: Safe and accessible diversion routes will be in place for pedestrians and dismounted cyclists. Pedestrians with visual or mobility impairments will be assisted during work hours.

Public Transport: Bus stops on A45 slip road and nearest the roundabout on London Rd and Newport Pagnell Rd will be suspended for the duration of this work. Bus companies have been notified. Please use alternative bus stops during this time.
